

Camden Daffodil Festival, Inc

**Art Show and Sale**

March 9-10, 2012

Another year has flown by and preparations are underway for another successful Camden Daffodil Festival Art Show and Sale.

This year the poster/T shirt competition will be handled by another committee chaired by Doug Clary, a welcome addition to the festival this year. Directions for both events are included in this mailing.

The Art Show and Sale will be, as always, at the First United Methodist Church Family Life Center. Spaces will be given out on a first come basis and are limited. Prompt response will insure you a place. You will hang your own work at the church and each piece must be wired on the back, with attached tags including your name, title, and price. A 10% commission will be assessed on each sale and your pricing should reflect this. It is important that you provide the art committee with a list of your work in numerical order from 1 to (number of works) for bookkeeping purposes. This list needs to be on a regular size sheet of typing paper.

We will accept your work from 10:00 A.M. to 5:00 P.M. on Thursday, March 8, 2012, at the church

Please fill out this application and return to Nadine Abbott along with your check for \$1 per item to be displayed in the Art Show and Sale.
